

HEALTHY SPORTS GRANT

SAMPLE BUDGET ITEMS FUNDING OPTION 1 - HEALTHY CLUB (NO CANTEEN)

Healthway is offering up to \$2,000 to Western Australian community sporting clubs and district sporting associations competing in a recognised competition to increase healthy eating throughout the WA sporting community.

Healthway understands that not every club has a 'home ground' but instead uses other facilities to train and for game day. Even if you don't have a food service or canteen facility there are lots of ways you can use the funds to promote the importance of healthy eating during sport.

HOW YOU CAN PROMOTE HEALTHY EATING AND DRINKING WHEN YOU DON'T HAVE A CANTEEN?

HEALTHY HALF TIME

If your club has a large number of teams make up a kit for each coach or team manager consisting of a small cooler bag, storage container, chopping board and knife to encourage fruit and vegetables as snacks. Plus, when you receive your "congratulations kit' from Healthway it will contain handouts and items to include such as flyers, booklets and stickers

ACTIVATION

- Use the contents of your 'kit' to run a competition offering healthy snacks, prizes include water bottles, aprons and hats
 - Early morning games, training or carnival weekends require extra fuelling so offer a healthy breakfast event by providing nutritious eggs, fruits and smoothies. Make sure you use the opportunity to promote the program by using Social media tiles, placing posters around and handing out fact sheets to members.

• • • • • • • • • WATER WINS

- Provide cold water at training and game days by purchasing an esky and a large water cooler
- Purchase water bottles and water carriers for

TRAINING DAYS

- Set up a trestle table with a bowl of fruit and encourage healthy snacking. Your kit also includes mini blackboards for health messages
- Provide fruit smoothies to show how easy it is to make a great 'fuelling snack'. Purchase a blender, milk, fruit, cups and containers. Ensure all the items are kept in once place so it can be handed to new club managers and coaches

PLAYER INCENTIVES AND PROMOTIONS Rewarding players for "best on ground" can be the perfect opportunity to promote health. Rather than vouchers for food based stores use the grant funds to buy vouchers for sports stores in your local

HEALTHY SPORTS COORDINATOR

Healthway will provided up to \$500 by way of a voucher for a Heathy Sports Coordinator to communicate to the club about participation in the program, purchase items, run activations such as fruit stands, send out healthy eating information to members and be the advocate within the club for health initiatives.

The list below is not exhaustive, call Healthway and discuss your amazing idea today.
